CEC will be collecting items **Wednesday, May 15 - Tuesday, May 28**. Collection will be at the Oak Grove, CalTech, and La Canada elementary school CEC sites.

If you are interested in donating items, please follow these instructions:

- Bags & size labels will be available for pick up at the Oak Grove front office and in your rooms. Please select labels for the sizes you wish to donate (i.e. 0-3 months, 4T-5T).
- When returning bags, please make sure the corresponding size label is affixed to the bag, and items are correctly sorted by size. If you would like to use your own bags, please make sure a label can be affixed and the bag has handles.
- Bags of items may be returned to the Oak Grove, CalTech, or LCUSD elementary CEC sites between Wednesday, May 15 — Tuesday, May 28. **Please look for clearly marked donation bins.**

We accept gently used or like-new/new items for children ages 0-10, along with children's shoes and maternity clothing. We encourage families to donate items with minimal wear and tear or stains. Clothing and shoes should be free of holes and debris. All shoes must be tied or rubber-banded together. If you are comfortable buying an item, that's a good indicator of whether or not it can be resold.

### **We are accepting the following types of items and sizes only:**

- Baby/toddler & kids clothing: sizes 0 months - 10 years
- Baby/toddler & kid's shoes: sizing varies
- Select maternity clothing: all sizes
- Children's books: Infant - Elementary Age, good condition (no textbooks)

Most items will be \$1, however, we will have a boutique that features quality items for children and maternity, such as coats, sweaters and designer brands, priced either \$5 or \$10 per item.
